

Huron Pioneer Threshers & Hobby Association, Inc.

Memorial Tree Policy

Purpose

The Memorial Tree honours deceased members of Huron Pioneer Threshers & Hobby Association. It also recognizes our founding fathers and those who came afterwards. It is located inside the Memorial shed.

Leaf Criteria

A leaf on the Memorial Tree must display the name of the deceased member and the year of death. If two names are being displayed on the leaf, no year of death will be recorded.

Pricing & Purchasing

The cost of a leaf is \$100.00 for each name placed on a leaf, whether the leaf features 1 or 2 names.

If memorial donations are directed to the Huron Pioneer Threshers & Hobby Association for a deceased member and the total meets or exceeds \$100.00, a leaf will automatically be placed on the tree in memory of the deceased member. Family will be notified by the Secretary.

Tree leaves will be updated annually on June 30th.

All memorial leaf inquiries and purchases are to be made through the Secretary.

Placement of Leaves

Every effort will be made to keep spouses names together on tree.

Leaves must only be placed and removed from the tree at discretion of the Board.
